#### LIGHTENING STRIKE DAMAGE UPDATE:

Repairs are ongoing and some repair bills are beginning to come in. So far, We have had repairs to the phone system, the ADT fire alarm system in the school, the ice machine in the parish center, the organ, the PA system in the church and school, and the computer lab in the school. If you didn't hear the bells ringing before mass, that means that the bell controller unit is not yet replaced. Yet to be determined is the cost of repair to the steeple. At this time it is unclear how much of the cost will be taken care of by insurance. As we gain clarity on these costs we will keep you informed.

**PREGNANCY CENTER DISTRIBUTION** is in need of baby clothes sizes 0-5 years. We accept summer and winter clothing, strollers, car seats, etc. If your child has outgrown their clothes, please bring them to the center, at the corner of Glenway and Guerley Rd.
