Pray for our Nation: Below is a prayer for our nation. I encourage everyone to say this election novena each day until November 4th.

O God, we acknowledge you today as Lord, not only of individuals, but of nations and governments.

We thank you for the privilege of being able to organize ourselves politically and of knowing that political loyalty does not have to mean disloyalty to you.

We thank you for your law, which our founding fathers acknowledged and recognized as higher than any human law.

We thank you for the opportunity that this election year puts before us, to exercise our solemn duty not only to vote, but also to influence countless others to vote, and to vote correctly.

Lord, we pray that your people may be awakened. Let them realize that while politics is not their salvation, their response to you requires that they be politically active.

Awaken your people to know that they are not called to be a sect fleeing the world, but rather a community of faith renewing the world.

Awaken them that the same hands lifted up to you in prayer are the hands that pull the lever in the voting booth; that the same eyes that read your Word are the eyes that read the names on the ballot, and then that they do not cease to be Christians when they enter the voting booth.

Awaken your people to a commitment to justice to the sanctity of marriage and the family, to the dignity of each individual human life, and to the truth that human rights begin when human lives begin, and not one moment later.

Lord, we rejoice today that we are citizens of your kingdom.

May that make us all the more committed to being faithful citizens on earth.

We ask this through Jesus Christ our Lord. Amen. -
