Vocation View: The Holy Family provides a model for each Christian family: to prepare your children to accept the mission of God has given. Form your children to always say 'Yes' to God when He calls.

Thought for the Day: May Nazareth serve as a model of what the family should be. May it show us the family's holy and enduring character and exemplifying its basic function in society: a community of love and sharing, beautiful for the problems it poses and the rewards it brings; in sum, the perfect setting for rearing children – and for this there is no substitute.
