Advent: An excellent help in your preparation for Christmas is to make a good confession and spend some time in Eucharistic Adoration. Eucharistic Adoration is every Thursday afternoon from 3-5pm, during which I hear confessions from about 3:20pm-3:50pm.

Sister Helen Julia's Christmas holiday collection of food and monetary donations for families is now underway. I know that our St. Lawrence parishioners and friends will be generous so that Sister will be able to assist all those families who are in need. This collection will continue through December. Sister's Ministry envelopes are in the back of church and the food barrels are at the break (next to the pillars) for your food donations.

By the way, I would like to thank Sister for doing this wonderful work of charity for St. Lawrence, and I thank you for your efforts in helping to provide a wonderful Christmas for all those who request our help.

2014 Calendars are in the back of church this weekend. Thank you to the St. Lawrence Knights of Columbus whose generous donation made it possible for us to have the calendars again this year. Thank you, St. Lawrence Knights of Columbus.

The Symbolism of the Advent Wreath

During the time of Advent, many people have an Advent wreath in their homes. While these decorations are certainly festive and add to the holiday spirit, there is also much symbolism in the wreath that people may not recognize.

First, the wreath is always in the form of a circle. Since a circle has no beginning and no end, it is a symbol of God, who is eternal and without beginning or end.

The Advent wreath is always made from evergreens. These branches, as the name indicates, are “ever green” – ever alive. They are symbolic of Christ, who died, but who is alive, never to die again. The evergreen branches also symbolize our soul’s immortality. Christ came into the world to give us never-ending life. Entwined around the circle of evergreens are red berries. They look like large red drops of blood, and symbolize the bloodshed by Christ for mankind. They remind us that Christ came into this world to die for us and redeem us. It is through the shedding of His blood that we have eternal life.

The wreath has four candles, three violet ones and one rose colored candle. These symbolize the four weeks of the Advent season, our time of preparation for Christmas. Each day, the Liturgy tells us of the Hebrew expectation of the Messiah in the Old Testament reading, and the Gospels begin to introduce us to the characters of the Christmas story. At the beginning of Advent a single candle is lit, but each week another candle is lit. As the light from the wreath increases each week as more candles are lit, the wreath reminds us that the birth of the Light of the World is coming closer. So may our souls grow brighter in their love for, and anticipation of, the Christ Child as this season of grace continues.

The color of the four candles also has significance. The violet candles have a penitential appearance, much as we find violet in the church during the penitential season of Lent. The violet is to remind us that Advent is a season of preparation in which we should be spiritually preparing our souls to receive Christ on Christmas. The single rose-colored candle is lit on the third Sunday of Advent, which is called “Gaudete” Sunday. “Gaudete” is the Latin word for “rejoice” and symbolizes an element of rejoicing in the midst of our penitential preparation, for the joy of Christmas is almost here. Mixing violet

Cont’d from last column

with white makes the rose color. It is almost as if the joy we celebrate at Christmas (symbolized by bright white) cannot contain itself during this penitential season (violet) and burst forth a bit into the Advent season. On Christmas, the four candles are replaced with a white one – our time of preparation is over and we enter a time of great joy.

The Advent wreath should be placed in a prominent place in our church. Many families have a smaller Advent wreath in their homes. This both reminds families of the wreath in their church and serves as a reminder of their link to the parish church. The candles are lit the main meal of the day, with the new candlelit preferably at the main meal on Sunday, the first day of the week. Joining around the table for a meal should remind the family of the table of the Lord around which they gather each week to celebrate the Eucharistic – the meal of the Lord that nourishes our soul.

So, the next time you see or display an Advent wreath, don’t just think of it as a nice decoration. Remember all the symbolism it has for us as it reminds us of the need for spiritual preparation to fully share in the great joy of the birth of Christ, the Son of God who gave His life for us so that we might have eternal life.
