Vocation View: Persistence in prayer is necessary. Do not give in after only a few short days; but make prayer the center of your life and God will continue to lead you deeper and deeper into a relationship with Him. (Luke 18:1-8)

Thought for the Day: If you seek patience, you will find no better example than the cross. Great patience occurs in two ways: either when one patiently suffers much, or when one suffers things which one is able to avoid and yet does not avoid. Christ endured much on the cross, and did so patiently, because when he suffered he did not threaten; he was led like a sheep to the slaughter and he did not open his mouth.

Great News! St. Lawrence now owns the properties bounded by the Parish Center, the lower parking lot and Sturm and Laclede Streets. The properties were donated to St. Lawrence. The properties will be developed into a nice green space and play area for our school children. I will keep you advised as plans develop.

Also, as you may have noticed, there has been some painting and repair of the outside window frames of the church. I wanted to make sure that the window frames in most need of repair and paint were addressed before the onset of winter. That has been accomplished. The painting of the remaining window frames will take place after winter.
